

Young Women in Public Affairs Award 2005 in District 29

“This Award is so special for young Women. A special Award for hardworking young women” that was the headline in the article in the German Newspaper “Rheinische Post” on August 30 2005.

On August 26 2005 the Young Women in Public Affairs Award ceremony was organized by the Zonta Club Viersen in Germany. Nicole Stübiger is the young woman who won the Award and the 500 US Dollar in District 29.

The young woman was nominated by the Zonta Club Viersen for the District 29 Award after she was the Clubwinner in April 2005.

Nicole Stübiger is 19 years young and she works hard in her school, the Luis-von-Duesburg-Gymnasium in Kempen, nearby Viersen. She works for the school library and made a database of the library books. She will study in October at the University in Essen, Mathematics and Chemistry. She wants to become a teacher. She does a lot for the community in her church and for the status of young women in her community. She worked for the World Games in Duisburg and is interested in International and National contacts.
